**37TH WORLD FORUM
 FOR MEDICINE**

International Trade Fair with Congress

**Visitor Information
 in Brief**

www.medica.de

MEDICA 2005 – A WORLD OF DIVERSITY UNDER ONE ROOF

- **World-leading:** every year, over 4,000 exhibitors from more than 60 countries present their innovations at the MEDICA, the world's largest medical trade fair
- **Comprehensive:** MEDICA gives providers and interested parties a comprehensive overview of the medical market
- **Innovative:** the most significant medical trade fair for innovations and important trends
- **Dynamic:** MEDICA reflects the above-average growth of the health industry
- **Unique:** MEDICA provides an unrivalled portfolio of products and services
- **Structured:** the fair's clearly-defined structure enables you to find just what you're looking for
- **Informative:** MEDICA provides bundled information on medical topics and the latest product developments in in-patient and out-patient care
- **Optimal:** the combination of trade fair, congress and seminars provides an optimal platform for exchanging experiences at the highest level

You'll find the entire spectrum of products and a number of selection options at www.medica.de

PERSPECTIVES FOR TOMORROW – APPLICATIONS FOR TODAY

- **MEDICA Congress:** a multitude of seminars, presentations and practical courses make the congress a unique event focused on medical topics
- **Deutscher Krankenhaustag (German Hospital Conference):** Presents a variety of topics relating to in-patient care, including organisational and commercial issues
- **MEDICA Physiotherapy Forum:** Provides a meeting-point for industry experts, professional organisations and therapists to discuss topics related to physiotherapy, rehabilitation and remedial exercise
- **MEDICA MEDIA:** Presentations and podium discussions on every aspect of telemedicine
- **MEDICA Meet IT:** Presentations and application reports on the capabilities of medical information technology
- **MEDICA VISION:** Research institutes and universities present future projects and provide perspectives on the medicine of the future under the direction of the German Federal Ministry of Education and Research
- **MEDICA plus:** Exhibitors provide more detailed product information in specialised presentations
- **MEDICA BUSINESS CENTER:** Provides a meeting-point for business partners and a networking database containing offers and requests for making new business contacts

You'll find the complete programme of events, including a search function and more than 1,300 presentations, at www.medica.de
